```
graph TD; ECRobot[ECRobot] -- 11 --> leJOS_EV3[leJOS_EV3];
```

A diagram showing a light blue rectangular box labeled "ECRobot" at the top. A vertical arrow points downwards from the bottom center of this box to the top center of a white rectangular box labeled "leJOS\_EV3" at the bottom. The box "leJOS\_EV3" is outlined with a red border. The number "11" is positioned to the right of the arrow, indicating a specific relationship or connection between the two components.
